

Downy-MildewSeg Dataset User Agreement

Before access to the Downy-MildewSeg dataset can be provided, please fill out the following form and sign this agreement to confirm that you agree to the terms of use. After approval, you (the “Researcher”) will receive permission to use the Downy-MildewSeg dataset provided by Jilin Agricultural University.

By agreeing to these terms, the Researcher agrees to use the Downy-MildewSeg dataset under the following conditions.

Research Purpose / Project Description:

Dataset Provider: Jilin Agricultural University

I. Terms and Conditions

1.1 The Researcher shall use the Downy-MildewSeg dataset only for non-commercial academic research and educational purposes.

1.2 Jilin Agricultural University and its contributors make no representations or warranties regarding the dataset, including but not limited to warranties of non-infringement, accuracy, completeness, or fitness for a particular purpose.

1.3 The Researcher accepts full responsibility for their use of the dataset and shall defend and indemnify Jilin Agricultural University and its contributors against any claims, losses, damages, or expenses arising from the Researcher’s use of the dataset.

1.4 The Researcher shall not redistribute, share, transfer, publish, copy, disseminate, or provide the dataset, either in whole or in part, to any third party without prior written approval from Jilin Agricultural University.

1.5 The Researcher shall not use the dataset for any commercial purpose without prior written approval from Jilin Agricultural University.

1.6 Jilin Agricultural University reserves the right to terminate the Researcher’s access to the dataset at any time if the terms of this agreement are violated.

1.7 If the Researcher is employed by or affiliated with a for-profit entity, the employer or affiliated organization shall also be bound by these terms, and the Researcher represents that they are authorized to enter into this agreement on behalf of the employer or organization.

1.8 The law of the People's Republic of China shall govern all disputes under this agreement.

II. Content of Authorized Data

2.1 The authorized data includes soybean downy mildew images collected and annotated by Jilin Agricultural University.

2.2 The dataset includes pixel-level lesion annotations for soybean downy mildew segmentation.

2.3 The dataset is intended for crop disease lesion segmentation, lesion-area analysis, and related non-commercial agricultural image analysis research.

2.4 Number of data samples: 4,420 annotated soybean downy mildew images.

III. Scope of Data Use

3.1 The Researcher may use the dataset for academic research and publication in academic papers, theses, reports, and presentations.

3.2 The Researcher may develop non-commercial research models or algorithms using the dataset, provided that the dataset itself is not copied, redistributed, shared, or disseminated.

3.3 All published research results using the Downy-MildewSeg dataset must acknowledge the dataset as the data source and cite the corresponding C2 BPNet paper.

3.4 Third-party academic institutions, collaborators, or research groups must apply separately for access and obtain written approval from Jilin Agricultural University.

3.5 The dataset shall not be incorporated into other public or private datasets for redistribution without prior written approval from Jilin Agricultural University.

IV. Security Principles

4.1 The Researcher must implement reasonable security measures to prevent unauthorized access, copying, redistribution, or leakage of the dataset.

4.2 The Researcher shall not use the dataset beyond the authorized scope described in this agreement.

4.3 The Researcher must delete or destroy all copies of the dataset upon expiration, termination, or withdrawal of authorization, unless renewed approval is obtained from Jilin Agricultural University.

4.4 Any models, systems, or products developed using this dataset shall not be sold, licensed, or provided to commercial organizations without prior written approval from Jilin Agricultural University.

4.5 The dataset and its annotations shall not be used in any way that violates applicable laws, institutional policies, or research ethics.

V. Liability Clauses

5.1 Violation of this agreement entitles Jilin Agricultural University to terminate the Researcher's access to the dataset and seek compensation for any resulting losses or damages.

5.2 Disputes should first be resolved through negotiation. If negotiation fails, the dispute may be submitted to the court where the Dataset Provider is located.

VI. Citation Requirement

If you use the Downy-MildewSeg dataset in any publication, report, thesis, presentation, or public document, please cite the corresponding C2 BPNet paper.

VII. Signature

I, the undersigned Researcher, acknowledge that I have read and understood the obligations stipulated in the "Downy-MildewSeg Dataset User Agreement" and agree to be bound by these terms. I agree that Jilin Agricultural University may terminate my access to the dataset at any time if I violate this agreement.
